- 7-palčni zaslon z izboljšanimi načini upravljanja med vožnjo
- Priprava za GPS ploter
- Enostaven dostop do predala
- Zvok je prek zaslona integriran s krmiljenjem

Supercharge your adventure.

Bring a big grin to your face as you get your heart racing and conquer the waves with the latest FX SVHO in striking black and blue colours that stand out without shouting. Be ready to supercharge adventures your way in adrenaline-pumping luxury and performance, the two distinctive sides of this outstanding powerful three-seat touring WaveRunner.

Don't compromise on comfort or performance. The supercharged SVHO engine and capable hull are a perfect double act: smooth, impressive power, coupled with stable, agile handling for a supremely comfortable ride.

Cutting-edge technology and innovation are fully packed in this astonishing design with our revolutionary and intuitive RiDE® control system, adaptive electronic trim, Cruise Assist and integrated security feature. The FX SVHO now also comes with a Yamaha Music integrated audio system for ultimate sound clarity and quality at any speed.

RiDE® system (Reverse with Intuitive Deceleration Electronics)

The revolutionary RiDE® system transforms your riding pleasure, bringing a feeling of confidence to every rider at every level. Simply pull the throttle lever on the right hand-grip to move forward and accelerate and pull the lever on the left grip to slow down or to reverse.

Unique, simple-to-use security system

With this innovative system there's no separate remote control to worry about. Just use a PIN code to set and unset your security and control modes via a touch on the Connex® display screen.

Multi-mount accessory system

Wouldn't you like to have a way to take your chosen accessories with you when you set off for a day on the water? The Multi-Mount system means you can take your GPS/fish finder, your GoPro, or even your cup of coffee securely mounted to the great-looking body of the FX SVHO.

30% more storage for even bigger adventures

We've designed around 30% more easy-access storage into our FX models so your adventures can be longer and take you further. There are cleverly integrated, practical storage solutions all around: a very large watertight glovebox compartment, generous storage under the seats, at the bow and stern.

Supercharged, DOHC, 16V, 1,812cc engine

The amazing SVHO® (Super Vortex High Output) engine produces smooth, flexible power and features highly efficient cooling and air intake systems as well as strong engine internals. The large hyper-flow jet pump helps turn that power into electrifying acceleration and the Electronic Fuel Injection (EFI) provides smooth and efficient power output.

Seven inch colour touch screen display

See the bigger picture in full colour on the largest screen we offer on a WaveRunner. It's GPS map-ready and complete with smartphone synchronisation.

Agregat

Tip agregata	Nadnapolnjen 4-valjni; 4-taktni; Super Vortex High Output
Turbinski polnilnik	Yes
Prostornina	1,812 cc
Vrsta črpalke	160 mm high-pressure pump
Gorivo	Neosvinčeni premium bencin
Sistem oskrbe z gorivom	Elektronski vbrizg goriva - EFI
Prostornina rezervoarja za gorivo	70 litres
Prostornina rezervoarja za olje	3.7 litres

Dimenzije

Dolžina	3.58 m
Širina	1.27 m
Višina	1.2 m
Teža (kg)	396 kg

Lastnosti

Prostornina shranjevalnega prostora	168.3 litres
Število oseb	1-3 people
